Thanks. I think this is a good list that we should work from on July 31 and Aug 5 to resolve.

Kristine –

As discussed at the July 8 meeting, please find attached a draft list of issues needing resolution by August 5<sup>th</sup>. This draft list is being provided for EPA consideration and comment as part of the non-binding informal information exchange process for the revised FS. The goal is to develop a final list that both the LWG and EPA endorse to facilitate preparations for the July 31st and August 5<sup>th</sup> meetings.

Please let us know any changes you propose to this list.

Thanks.

Carl
